FIELD DAYS FOR THE 1985 SEASON:-

April - Rottnest

PRESIDENT'S COLUMN:-

I was very disappointed at the last meeting to see not one hand go up to take on the position of Secretary. It's about time members started supporting the club by their personal efforts, in particular the duties of the committee. This position is not a hard one to look after and is quite enjoyable to do. Don't leave all the work to the few every time, it's bad enough not having a special organiser. So at the next meeting I would like to see both positions filled and it is up to you the members to fill these positions and make our club a great club like it should be. May be if these positions are not filled the committee might look at holding the election of officers earlier than usual.

While on the committee positions, don't forget the annual election of officers. Many of the committee will be standing down and so the club will be looking for new members to go on the committee. Members must realise that being on the committee you tend to become stagnant after a while and it's a good idea to have a change.

At the February meeting it was good to see the response to the field day selections with so many people putting in their selections. It was agreed by the general meeting to pick the next seasons field days that night.

One last point, the film on Canadian Salmon Fishing was very well received by the members. This film was asked for by you the members, the only sour point was when some members just went outside and held their own yap session and this I feel was not good manners.

See you at next month's functions.

CLUB NEWS

GENERAL MEETING:-

Would all members attending the Wednesday night General Meetings, please try and be seated prior to 8.00 pm. The time for the start of the meeting is 8.00 pm and as the committee has been aware of the late starts of previous meetings we all are endeavouring to start on time.

A little thought and general club etiquette from those members who chit chat during the meeting would be appreciated, as members find it difficult to hear the committee reports when those few members who chit-chat interfere with the proceedings of the meeting.

FIELD DAY:-

The selection of field days will appear in the May issue of Reel Talk as the committee require time to study dates and any problems arising from the venues.

KALBARI HOUSE:-

Effective from July 1st 1985 fees for the club Kalbari House are as follows:-

Peak Periods	\$120.00 per week (all)
Christmas, Easter, School holidays etc.	
Other Periods	\$ 50.00 Per week (members)
	\$ 80.00 " " (non members)

A weekend working Busy Bee is to be held at Kalbarri House on 29-30th June. Members able to attend please contact George Holman.

SOCIAL ACTIVITIES:-

The 'Bowling Night' planned for the 19th January was obviously scrubbed due to no social organiser to arrange same. Sorry for the late advice but once we have an energetic social organiser on the committee the social side of our club should improve.

A.A.A. OF W.A. REPORT

George Holman and myself attended the February meeting of the A.A.A. with the following points of interest for our club:-

The D'entrecasteaux (South Coast) National Park, this park is trying to be closed and support is needed to keep the park open. If the park is closed many fishing areas will be affected, your support is needed. Forms will be available at the next meeting so as you can register your protest at have this park closed.

State Estuary Championships to held on 23rd - 24th November'85.

State Rock and Beach Championships to be held on 26th - 27th October'85.

Black Bream Competition to be held on 8th June'85.

A Sub-Committee has been formed to look at Angler of the Year nominations. They will look at different point scoring systems. If you have any ideas on the matter please let your delegates know.

Registration fees have been set for Bunbury'85. These being:-

Senior members	-	\$20.00	
Juniors and Vetrons		\$15.00	
Social Member		\$15.00	
Family Members		\$50.00	This being members of immediate family only.

Club banners or flags are required by the A.A.A. for Bunbury'85, these will be on loan from the clubs and will be in the Bunbury'85 Headquarters.

Those members who have not filled in their registration forms for Bunbury'85 are requested to do so, this applies to teams and individual members.

FIELD DAY REPORT - WHITE HILLS

The weekend was my first visit to White Hills and I found the place to be most enjoyable, and surprisingly clean and the beach free of rubbish. This is probably due to the fishing clubs who go there and whose members are very litter conscience and generally leave the area cleaner than before their arrival.

The water was beautiful and clean and although there was an absence of Tailor and large fish, I am sure most members enjoyed themselves in a relaxing atmosphere of quiet fishing and having few cold ones during the evening.

Several hundred Herring were caught, and this was good fishing experience for the juniors and of course those members who like catching Herring.

Several other fishing clubs were there also but there was plenty of room and enough Herring for everyone.

The sand mountain on the way out proved a formidable object to most of the FWD's. However after a couple of runs at it and with some motors going like jet engines, they all managed to scrape over the top.
