## **CLUB ETIQUETTE**

### **MEETINGS**

The monthly GENERAL MEETING is usually held on the second Wednesday of each month at 8pm. All members should endeavour to attend the meeting so as to keep up with club matters.

### **DRYCASTING**

Casting is usually conducted on the first Sunday of each month. Instruction is given to all new members and a competition is conducted to improve and maintain the standard of our members casting.

### **FIELD DAYS**

These normally follow each general meeting on the ensuing weekend. It is compulsory for anglers to attend both the sign-on and the weigh-in. Anglers who cannot attend the sign-on for work or other unavoidable reasons may make prior arrangements for a late sign-on. However, only under very exceptional circumstances will failure to attend weigh-ins not be penalised with the loss of points acquired during that field day.

It is the Field Day Officer's duty to inform the committee of any anglers who fail to attend the weigh-in. It is the committee's duty to decide what action is to be taken.

Disputes may be taken to the committee.

Entries for Game Fish Badge, Club Records and Open Fishing Competitions must be lodged with the Recorder within 30 days of capture.

### **COMMITTEE MEMBERS**

Please notify the Treasurer and Reel Talk Editor of any change of address or phone number.

### **GENERAL ETIQUETTE**

If you intend to resign from the club a letter of resignation should be forwarded to the Secretary. Please assist the Treasurer by paying your subscription with-in 28 days of the Annual General Meeting. Arrears of 3 consecutive months may cause forfeiture of membership.

# ~ SEPTEMBER ~

## NEXT GENERAL MEETING

WHERE - Morley Glass Factory  
 33 Rudloc Road, MORLEY  
 WHEN - WEDNESDAY, 12th September, 8P.M.  
 INSTRUCTION - This will be an interesting part of the meeting as we will be showing a video on fishing and another on English casting. Contained in the latter is a demonstration of PENDULUM CASTING. If you don't know what this is you had better attend and find out.

## NEXT CASTING DAY

WHERE - YOKINE RESERVE  
 WHEN - SUNDAY, 2nd SEPTEMBER, 9a.m.  
 EVENTS - 112 gram D/H Accuracy  
 56 gram S/H Accuracy  
 S/H Open

## NEXT FIELD DAY

WHERE - ROTTNESST ISLAND  
 WHEN - SEPTEMBER 15th - 16th  
 SIGN ON - AT ISLAND  
 WEIGH IN - AT ISLAND  
 NOTE - FERRY LEAVES FROM  
 FREMANTLE (SEE INSIDE)

## New MEETING Venue

At our annual general meeting Lee and Nella Clifton made an offer to the club of the use of their premises at 33 RUDLOC ROAD, MORLEY for the conduct of both our general and committee meetings at no cost. This generous offer was accepted by members and we thake this opportunity of thanking Lee and Nella.

The meetings will now revert back to WEDNESDAY NIGHTS as has been the case for years and the only thing we ask members to bring is a chair to sit on.

Hope to see you all at this venue on Wednesday 12th September at 8p.m.

## TROPHY DONORS . . .

The surfcasting and Angling Club wishes to thank the following trophy donors for their support.

### COMMERCIAL

 Bill Harries  
 Ron Wintle  
 Jim Strong

ANNUAL GENERAL MEETING REPORT

As our President Graham Reeley stated in our last "Reel Talk" this meeting was probably the most important one ever for our club as it was a time for "you all to get off your BUMS and attend and do something positive to get the club out of the SHIT"!

Well the usual few turned up and even though the meeting took an unusual approach to the problems, which were discussed at length, a lot was achieved not the least was a full Committee from the small number present.

Finance took up a good deal of the debate and as can be seen from reports elsewhere cost-saving is to come from the generous offer of Lee and Nella Clifton for us to hold our general and committee meetings at their factory, Morley Glass, 33 Rudloc Road, Morley, and the other major cut back will be bi-monthly issues of "Reel Talk".

Kalbarri Cottage is being looked at and one of the options will be to put in a full-time tenant to cut costs and give us a larger return. Other options are being looked at also.

There was an option put also to halve field days and drycasting events so that we had only one commitment each month but committee has discarded this and things go on as before. With the casting we have a commitment with Fremantle with the oval booking and half the insurance and the other major factor is that if we don't use Yokine Reserve each month we will lose the venue altogether. With the field days distances and costs were discussed and club commitments and nobody was prepared to cut back so they stay as listed. On top of our heavy Jan/Feb/March commitment with field days we are to run the "Mandurah \$500" on the 12th and 13th January 1991 and in February the State Drycasting Championships!!

"Mandurah \$500" was discussed at length and needs a full commitment from club members as this will be a major fund-raiser so the more successful the more money to the club. Reserve these dated!!

The "Buddy System" was discussed also with the view to bolstering our flagging comradeship within the club and to promote better options for new members to our club. If you would like a lift on a field day or have a spare seat let the field day officer or committee know. If you introduce a new member, make sure he is properly looked after. The club will work if this is done and be more enjoyable for all. Put yourself out for a change!!

The meeting will revert back to the second Wednesday for general meetings and the third Wednesday for committee meetings. You are however asked to bring a chair to sit on.

Well members, a new year, a new committee, and let's see a few new members and a better attendance and commitment from our older members.

See you all at our next general meeting!!

**GENERAL MEETINGS**  
**WEDNESDAY NIGHTS**  
(SECOND WEDNESDAY OF EACH MONTH)  
**33 Rudloc Road, Morley**

THE FIELD DAY THAT WASN'T

Derry Barber, Ray Silverlock and myself were to go down to our recent Cape to Cape field day as a team but at the last minute Ray took ill so Derry and myself ventured forth.

Through a combination of things, not to mention the weather we hit between Bunbury and Busselton we arrived seven minutes late at the Bakery at Dunsborough, but there wasn't a Surfcaster in sight... we must still be fishing for sheep stations!! Because we didn't see anyone and thought it impossible for everyone to leave so quick we thought we must have got our sign-on time wrong and we waited until 1 o'clock. Still no one so we decided it was time to move off as we weren't even sure if there was a field day by this time as the weather was so bad. We came to fish so off we went.

Called into Yallingup to sight the ocean and the conditions were as bad as we thought they would be, so off to Augusta.

On arrival we looked at the river and then worked our way around the sheltered side looking at all the areas and finally ended up at the Water Wheel at the light house. We went out and stood on the rocks and were literally blown off, the wind was that strong it was dangerous.

We went back and fished about half a kilometre from the river mouth and were out in the water wet gear and all before 4 p.m. catching and putting back lots of undersized bream and whiting. The few size fish we caught the seagulls pinched out of the bucket.

After dark conditions were appalling so we went to the nearest caravan park, paid \$11, and proceeded to put up our tent in miserable conditions.

Once the tent was up and we were inside with the gas lamp going, stove working, and some suitable fortification consumed we started to warm up. After tea came the job of blowing up our air mattresses and we were soon in our warm sleeping bafs blissfully sleeping on the comfort of our air mattresses... at least one of us was! Upon waking up in the morning I looked across at Derry and there was this shape curled up in his sleeping bag hard up against the side of the tent (on the ground) alongside an almost untouched air mattress. Derry's comment was: during the night he thought his bloody air mattress had gone down as when he put his hand down he could feel the grass under the bottom of the tent but he was too bloody tired to get out of his bag and blow the bloody air mattress up again. It was too hard the first time. He reckoned he still had a good nights' sleep.

After packing up we first tried the river (no good), then went out near the light house where Derry lost a good Mike and I caught 3 Banded Sweep which were returned to the water, and as the bottom was a bit hungry we elected to return to where we fished the night before only to chatch more undersized fish, which were returned to the water.

We then decided it was time to return home. Despite the bad weather we enjoyed ourselves, but we didn't see a Surfcaster all weekend.

Editor.

---

## MANDURAH \$500...

The club has committed itself to running the "Mandurah \$500" once again the dates being the 12th and 13th January 1991.

All club members are asked to keep these dates free and to come and help organise and run the event as we need to have as large a number of contestants as possible enter. Finance is the name of the game as we need to bolster our funds so we have to make this event extremely successful.

More on this later.

NEXT FIELD DAY

WHERE:..... Rottnest Island.  
WHEN:..... September 15th - September 16th.

FOLLOWING FIELD DAY

WHERE:..... Flinders Bay, (Emu Springs).  
WHEN:..... L.W.E. September 29th - October 1st.  
SIGN ON:..... 1300hrs Saturday at the camp site.  
WEIGHT IN:..... 1000HRS Monday at the camp site.

LOCAL FIELD DAYS            September

SIGN ON:..... Phone FDO by 2000hrs on the Friday.  
lines down:.... 1300hrs on the Saturday.  
WEIGHT IN:..... 1100hrs on Sunday at Triggs Island car park.  
L.W.E. Sept/Oct

SIGN ON:..... Phone FDO by 2000hrs on the Friday.  
lines down:.... 1300hrs on the Saturday.  
WEIGHT IN:..... 1100hrs on Monday at Triggs Island car park.

An asstant F.D.O. will be nominated at the Septmber general meeting.

FLEETS FUN FISH (SWAN RIVER).    11TH November.

This is a family fun fish day so keep it free. Boat fishing will be allowed. Fleet Cyles have kindly offered to sponsor this event. Details at the next general meeting.

INFORMATION.            ROTTNEST.

Ferries only run from Perth and Fremantle at this time of year. Departure time from Fremantle is 0945hrs on the Saturday. Return time from Rottnest is 1530hrs on the Sunday. The cost of the return ticket has risen to \$27.50. We need a minimum of 20 members to get concession ticket prices.

The accommodation will be the same as our last trip which was very good and the bus service allowed use to have ample fishing time. The cost of the accommodation and transport will be \$30 per head or possibly less depending on the number that go. This is one of our clubs most enjoyable venues as well as having the chance of some really good fishing so come along. Accommodation money will have to be collected at the next general meeting.

**TRY FISHING ... IT'S FUN!**

## FIELD DAY

### Report. . . - CAPE TO CAPE, AUGUST '90

WHATABUMMER!!!!!!! The wild south-west area showed us just how wild it can get. The nine of us that went down soon turned into seven as Ric and Mal White decided things were too unpleasant for them and headed back home to a warm bed.

The rest of us searched hopefully for some protected bit of rock or beach. D'Alonzos tried the Honeycombs north of Elephant Rock, Osbornes parked themselves on the south side of Cozy Corner, while the Heads, Graham, Cookie and Scottie went all the way to the Augusta lighthouse looking for a bit of quiet.

Saturday afternoon and evening turned up nothing more than a few herring trying to shelter from the ferocious weather. Sunday things quietened down a bit, resulting in D'Alonzos getting their herring mixed in with a few skippy, Osbornes managing to burley up some nice skippy all around the pound mark, and the rest of the mob first trying Augusta point (nothing doing), then heading back up to Elephant for a few herring.

We all enjoyed ourselves, despite the lousy weather. General discussion indicated that it might be a good idea to include Augusta and its river in our winter south-west field days. At least there we could find some protection when all else fails.

Tight lines,

COOKIE AND CO.

---

#### A.A.A. REPORT - AUGUST 21 1990 (AGM)

1. AAA to lodge protest to Fisheries re:proposal to add an additional 4 licences for professional fishermen to net in the Swan River.
2. Fishing Clinics (run by Offshore Angling Club) a success. Profit probably around \$5,000.00.
3. Rec. Fishing Council dinner is October 6th '90 at Hyatt Hotel. Tickets \$35.00 each. Evening includes guest speakers, good raffle prizes. Everyone welcome to attend.
4. John Curtis is the WA delegate for Angling :Coaching. (Ministry for Sport) Federal meeting in Canberra Sept.
5. John Curtis requesting copies of club newsletters to provide information for radio program. Clubs can get free publicity out of this.
6. Recreational Fishing Review "Open Forum" meeting at Hyatt Hotel October 6, 1990. This is an important meeting. See Peter Osborne if interested.
7. AGM officials elected: President: Bob Donlon, Vice President (Senior): John Curtis, Vice President (Junior): Tony Keene, Treasurer: Sharon Smith, Secretary: Phyllis Baker (hon sec), Recorder: Peter Osborne, Trophy Officer: Terry Chambers, Competition Officer: ? Publicity Officer: ? Property Officer: Eddy Rossi. Independant Delegates: John Curtis, Ross Cusack, Rec. Fishing Council Reps: Bob Donlon, Frank Csizak, Angus Horwood, Sub-Committee Reps: Boating Chairman: Adrian Booguard, Beach/Estuary/ Drycasting Chairman: Don Cox, Auditor: Kit Mavrantonis.

SCAS Delegates: Peter Osborne, Sharon Osborne

# FLINDERS BAY...

This is a really great field day to take the whole family on. The camping area is grassed and well sheltered with large peppermint trees. The area allows for children to fish as easily as the adults. Fish caught range from skippy whitting bream through to mulloway school shark and salmon. This is a private property so we need to show extra care with rubbish and not to disturb his stock. Please see the accompanying map for details of how to get there. Access through the locked gate will be given at the proceeding general meeting. The property is excusable by any conventional vehicle with a camper unit. There is a 4wd track behind the first sand hills which gives access to the fishing spots and anyone without a 4wd will be able to get a lift.

Contact Phyllis Baker on Ph: 398 5448.

INSTRUCTIONS TO GET TO FLINDERS BAY.

After going through Capel go past the mineral sands mines for approx 6km. You cross a small bridge and come to a road on the left marked Ludlo/ Heathergreen road. Follow this through till you hit the T junction of the Busselton Nannup road. Turn left and go through Nannup. proceed down the Brookman Highway for about 33km. At Canebreak Picnic area which is on the left hand side turn down Canebeak /MILYEANNUP ROAD. This turns into a gravel road. Head towards the coast for about 20km. You will cross a narrow bridge over the Scott river. About 2 kms on there is a road to the left go on a further 2 km and on the left is the access gate to the property. Follow this track through the trees till you reach the camp site.

STATE DRY CASTING CHAMPIONSHIPS

After early rain the State Dry Casting Championships got under way, thanks to the Fremantle Club and all the other Clubs that provided helpers on the day. The end result turned out good for Surfcasters, winning the Mini-Juniors, Ladies and Mens in the Teams events, and the Veterans were runners-up.

In the individual events Brett Reeley won Mini-Junior, Michael Head won Juniors, Sharon Osborne won Ladies, and Tony D'Alonzo won Veterans. Also congratulations to George Holman for the longest cast of the day (160.3m).

A big thanks go to Sharon, Peter and family who did a great job in running the Championships.

## WA STATE DRYCASTING CHAMPIONSHIPS 89/90

The State drycasting championships were held at Yokine Reserve, Sunday, July 29th, 1990, with the Surfcasting & Angling Club conducting the event.

82 casters attended, making up six mens, four ladies, three veterans, five juniors, and four mini-junior teams. Despite a rather wet and uncomfortable start, weather conditions were generally good, with a slight head wind that later reverted to a gentle side wind.

Competition was keen, with good distances being cast as well as some excellent accuracy scores being obtained. Six state records were broken, two by Ray Thorpe, two by Sharon Osborne, and one each by Michael Head and Darren Batchelor.

Garry Guildersleeve showed his regular championship form, taking out the mens division with a score of 148 in the accuracy event, followed by strong distance casting to effectively squeeze out other casters for the top position.

Special thanks to Melville Toyoto for their sponsorship, and thanks to the helpers who came to help push the event through in one day instead of the usual two. Without our sponsor and our helpers, we wouldn't be able to hold this type of event. We are going to ask all participating clubs to provide between two to four helpers, depending on the number of teams entered, and are going to ask for helpers to be nominated along with teams (as some helpers failed to turn up this time). If we have a few more helpers, we'll be able to run more courts, and get casters through much quicker, making it easier on everyone.

Next state drycasting is in February '91, in order to give casters going to the '91 Nationals casting practice in competition conditions.

P. Osborne (Drycasting Officer)

## ***Bereavement...***

The Club was saddened to learn of the death this week of one of the Clubs most valuable members, Someone Else.

Someones passing creates a vacancy that will be difficult to fill. Else has been with the Club from the beginning. He did far more than a normal persons share of the work.

Whenever there was a job to do, a team to catch, a committee to be chaired or a meeting to be attended, one name was on everyones lips - let Someone Else do it.

It was common knowledge that Someone Else was among the largest contributors of his time to the Club, whenever there was a need for volunteers, everyone assumed Someone Else would do it.

Someone Else was a wonderful person - sometimes appearing super human but a person can only do so much. Were the truth known everybody expected too much from Someone Else.

Now Someone Else has gone! We wonder what we are going to do. Someone Else left a wonderful example to follow, but who is going to do the things Someone Else did? When you are asked to help remember we can't depend on Someone Else.

 \$8,500 o.n.o. Ring Malcolm White 537 1486

PAGE SIXTEEN

BI-  
MONTHLY

To try and save the club some money "Reel Talk" is going to be issued every second month after next months issue. It is therefore very important for any articles, material or write-ups to be handed in early and the 2 month period to be borne in mind. The format will be tighter but will contain a lot more information.

I would appreciate in particular, write-ups on fishing trips or incidents involving club members for inclusion in each issue. I wish to produce an interesting and informative magazine and this will depend in part on your contributions.
